

## **ECUBE LIMITED LIFETIME WARRANTY**

eCube's warranty obligations for this product are limited to the terms set forth below:

eCube Solutions, LLC ("eCube") warrants this eCube®-branded product against defects in materials and workmanship under normal use for as long as the eCube® remains installed on the original refrigeration unit for which it was purchased ("Warranty Period"). If a defect arises and a valid claim is received within the Warranty Period, at its option and to the extent permitted by law, eCube will either (1) repair the defect at no charge, using new or refurbished replacement parts, (2) exchange the product with a product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original product, or (3) refund the purchase price of the product. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes eCube's property. Parts provided by eCube in fulfillment of its warranty obligation must be used on refrigeration units for which warranty service is claimed. When a refund is given, the product for which the refund is provided must be returned to eCube and becomes eCube's property.
